DECLARATION UNDER SECTION 305(c) OF THE
NATIONAL AERONAUTICS AND SPACE ACT OF 1958

Attention: Licensing and Review
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

We, Timothy P. McCaffrey, Barry F. Barnes, Stephen J. Howell, and John C. Jacobson declare:

That we are the inventors of the invention described and claimed in the above-referenced U.S. Patent Application;

That the invention was made while we were employed by the General Electric Company, the assignee of the subject invention, using facilities, equipment, materials, funds, information and services furnished by the General Electric Company, and further, was made under U.S. Government Contract DAAE07-00-C-N086 awarded by the U.S. Department of the Army;

A license will be granted to the United States Government under the terms of the above-identified contract;

That the invention set forth in the above-referenced U.S. Patent Application was not made (conceived or first actually reduced to practice) under nor is there any known relationship of the making of the invention to the performance of any work under any contract of the National Aeronautics and Space Administration;

That we signed this declaration on the date we signed the formal papers accompanying the filing of the above-referenced U.S. Patent Application with the understanding that the attorney of record would later insert the appropriate application number, confirmation number, and filing date hereinabove before submitting this Declaration to the U.S. Patent & Trademark Office.

That all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing therein.
